Memorandum

Date: February 19, 1998

To: CALFED Policy Group

From: Lester A. Snow
Executive Director

Subject: Cover Letter for Distribution with Draft EIS/EIR

Attached is a copy of the proposed cover letter to be distributed with the Draft Programmatic EIS/EIR (Attachment 1). The intent is to let readers know that this is a collaborative effort on behalf of all of the CALFED agencies, to draw attention to the need to focus on the Phase II Interim Report, and to solicit comments on the draft.

The CALFED Management Team was given a copy on February 17, 1998, and had no substantive comments. The Management Team suggested that a similar letter accompany the Phase II Interim Report, since it is being more widely distributed, which we plan to do.
